Coverages

Commercial Property Quotation

Except as amended herein, coverage is based on the terms and conditions of the Company's expiring policy number U22A.

Policy Limit

The maximum amount the Company shall pay per Occurrence is limited to the Company's share of each successive layer shown in the chart below. This amount is further limited by any applicable sublimit(s) stated below.

Layer Excess of Deductibles	Layer Limit per Occurrence			Company Share	Company Capacity
Primary	\$100,000	xs of	Deductibles	10.00%	\$10,000
1st Excess	\$100,000	xs of	\$100,000	0.00%	No Participation \$10,000

Except where an aggregate limit is stated below, the Company's payment for one Occurrence shall not reduce the applicable limit or sublimit available for another separate Occurrence.

Except as expressly stated below, any applicable sublimit(s) apply beginning with the lowest layer excess of the deductible and from the ground up apply successively through the layer(s) up to the sublimited amount. All sublimits represent the 100% amounts which shall be restricted by application of the Company's Share of the Layer Limit per Occurrence. Any part of a sublimit so retained by the Insured or so attributed to a layer of insurance fully exhausts that part of the sublimit for all purposes concerning the Occurrence.
